

GOD will carry you through the worst of times

By Reverend Ashok Andrews

This is the verse that GOD laid on my heart for your family & you-

HE RESCUES them from DEATH and KEEPS them ALIVE in times of FAMINE

Psalms 33:19

Remember-

1) We will face **DIFFICULT** times-

✓ Death- Illness/ struggling health...

✓ Famine- don't know where my next meal may come

2) GOD Promises to **DELIVER** us-

✓ HE Rescues us

✓ HE Keeps us Alive

3) Let us **DEPEND** on HIM

Trust HIM- no matter how bleak your situation. Keep in mind that even- Death & Famine (2 of the biggest possible trials) will not be able to touch you when GOD is on your side.
