

Make Me A Blessing to someone today

By Reverend Ashok Andrews

Jacob had worked hard at his uncle Laban's home. He had been faithful. He now wanted to return back to his own land. In this context- Listen to what the Bible says-

“Please listen to me,” Laban replied. “I have become wealthy, for the LORD has blessed me because of you.

Genesis 30:27

Laban did not want Jacob to leave because he clearly saw that GOD had blessed him abundantly because of Jacob.

What a beautiful picture of what our lives should be-

People wanting us not to leave because they see GOD'S hand of blessings upon our life.

I pray that this will be the testimony of our lives- May we be the cause of GOD'S great blessings to the people in our life.
